HOW TO USE YOUR DIAL TELEPHONE

Suppose you want to call 3011

TO MAKE THE CALL

1. Lift the receiver to your ear and wait until you hear a humming sound. This is the signal to go ahead.
2. Place finger in opening where you see the figure 3.
3. Pull dial around until your finger strikes the stop. Remove finger and let dial spin back freely.
4. Do the same thing with the figures 0, 1, and 1. You will hear the other telephone ring (a "burr-ring" sound) or the busy signal (a "buzz-buzz").

DON'T HURRY! TAKE TIME TO DIAL CORRECTLY!

FACTS ABOUT LONG DISTANCE SERVICE

To assist you in choosing the service to use.

STATION-TO-STATION CALLS

The rates are lower on these

On the lower-priced station-to-station call, you talk to anyone who answers at the number called. To make a station-to-station call:

Dial "Long Distance," and give the operator the name of the town to which you want to talk, and the telephone number, if you know it. For example, say "Memphis, Tennessee, 9-8798," or "Memphis, Tennessee, Mr. John Ford's residence at 197 Court Avenue."

Be sure **not** to specify any particular person, or the number or location of any private branch exchange station (such as Room 711, Hotel Excelsior, or Shipping Department). Such calls take the higher person-to-person rate.

Facts About Station-to-Station Calls

1. Rates are lower than on person-to-person calls. See rate table on inside front cover of this directory.
2. They are usually more quickly completed than person-to-person calls.
3. If you call a town to which the rate is 25 cents or less, you are permitted a five-minute conversation without additional charge. On calls over 25 cents, the initial period is three minutes.
4. The call is timed from the moment the called telephone is answered.

COLLECT CALLS...

You may reverse charges; that is, have them billed to the called telephone. Simply tell the operator you want to call collect. If the called party agrees to pay the charges, they will be billed to his telephone.

PERSON-TO-PERSON CALLS

You talk to a particular person

On person-to-person calls, you call for a particular person, or a particular extension, such as "Room 711, Hotel Excelsior." This service assures your getting to talk to the person you want. To make a person-to-person call:

Dial "Long Distance," and give the operator the town, the telephone number or address, and the name of the person or department you want. For example, say "Memphis, Tennessee, 9-8798, Mr. John Ford," or "Memphis, Tennessee, 9-8798, Extension 711."

Facts About Person-to-Person Calls

1. Charges begin when you start talking with the called **person** or with anyone at a called extension telephone.
2. All initial periods are for three minutes. The rate for person-to-person calls is somewhat higher than for station-to-station calls.
3. We will make repeated attempts on the same or a later day to reach the person with whom you want to talk, at different telephones or even in different towns. No additional charge is made for this service.

FOR FASTER SERVICE... CALL BY NUMBER...

If you know the number of the distant telephone, give it to Long Distance. It will speed your call.
