# WHEN TELEPHONING...

**SPEAK  
IN A  
NORMAL  
TONE**

- It is unnecessary to shout. The instrument is tuned to a normal tone of voice and loud voices cause it to blur.

# Her Biggest Job is War

**T**here has never been a time when the work of the telephone operator has been so important as right now.

For there are more Long Distance calls than ever before. More are in a hurry. Most of them are the urgent, vital calls of war.

Calm in emergencies, capable and courteous, the telephone operators are earning a nation's thanks for a job well done.

Please use Long Distance only when it is urgent. If you must call over war-busy lines, please limit your call to 5 minutes.
