"WE'VE GOT THE ANSWERS!"

The Yellow Pages say: "Let us give you a full
list of dealers so that you can get comparative
prices or estimates."

HELLO THERE!

Just keep me in a handy place, near your telephone, and I can help you a lot.

You see, that's what I was made for, to give you correct telephone numbers. Oh yes, I can give you the correct spelling of names; I can verify your neighbor's initials; and in my Yellow Pages I'll show you where you can find almost anything you can think of. But giving you correct telephone numbers is my main job.

It is to your advantage to be *sure* of a telephone number before you call. One wrong number wastes more of your time than it takes to look up half a dozen right numbers.
